

KGH Times

The image shows a hand-drawn logo for 'KGH Times'. The letters 'K', 'G', and 'H' are rendered in a bold, 3D block font with hatching on their sides. The word 'Times' is written in a cursive script. Above the letters is a decorative skyline consisting of a scalloped flower-like shape on the left, a tall pointed tower in the center, and a heart shape on the right, all connected by a jagged line.
